

VISHWAKARMA GOVERNMENT ENGINEERING COLLEGE, CHANDKHEDA

Brief Report on Expert lecture on “Application of GIS and Remote Sensing”

Name of Department/Organizer	:	Department of Civil engineering
Date & Time	:	30th July , 2018 3.00 pm to 5.00 pm
Venue	:	N-103, N-Block, VGEC, Chandkheda
No of Participants	:	40

- **Objective of the Event**

The main aim of the event was to familiarize the participants to GIS skills and its applications in Civil Engineering.

Outcome of the Event

The lecture was delivered by Mr Sauvik Pal, Assistant manager in ESRI India pvt ltd. The ESRI India Technologies Ltd is India's leading Geographic Information System (GIS) software and solutions provider. Lecture is attended by about 40 students and faculty members of civil and applied mechanics department.

Exposure of Students regarding GIS and application of GIS software is enhanced; Participants learned to create, edit, visualize, and analyze geospatial information and apply this learning to work on a range of projects where GIS technology is used. GIS applications in the field of Planning and site location, Environmental analysis, Infrastructure design, Construction & management have been demonstrated by the expert.
