

VISHWKARMA GOVERNMENT ENGINEERING COLLEGE, CHANDKHEDA

Brief Report on Revit software workshop

Name of Department/Organizer	:	Civil engineering department
Date & Time	:	05/03/20 to 07/03/20
Venue	:	Computation lab Civil Department
No of Participants	:	60

● Objective of the Event

The objective of the event was to make students familiar with Revit software and to give them practical exposure through hands-on practice.

● Brief information about the event

Department of Civil Engineering has arranged Three Days Workshop on Revit software between 05/03/2020 to 07/03/2020. The Expert of the workshop was Mr Arpit Raghvani, Mr Bhagyesh Patel, Khodiyar CAD Center, Ahmedabad and his team member taught students about 2D, 3D Revit software along with special features of the software in comparison with AutoCAD. Sixty students from 6th semester of civil engineering department were attended this workshop.

The workshop was started with inauguration ceremony followed by introductory speech of Prof K.L. Timani. Workshop is divided into two parts theory and hands-on practice. During these three days, students learned different commands used in Revit with other related latest technology like VR/AR. The workshop was ended with valedictory function in presence of Dr P.P. Lodha, Prof K L Timani and Prof M V Chauhan.

● Outcome of the Event :

At the end of the workshop, students' feedback was taken which indicated that the students were confident enough to use different commands, draw different plans, the elevation of a building using Revit software. This workshop also enabled students to become familiar with software and its related advancement.
