Department Activities

The Instrumentation and Control Department under IEI Student Chapter had organized an Industrial Visit for its 7th semester students, on 16th September, 2022, to IFFCO, Kalol fertilizer plant. Prof. Kamakshi V. Kaul coordinated the visit which benefitted 38 students. The agenda of this Industrial visit was to make students understand the applications of engineering principles and measurement studied in curriculum in real time situation in industry. This visit reduced the gap between academia and industry. Major attractions during visit were:

- Plant Production
- Control Room Visit
- DCS and PLC, FCS and marshalling area visit.
- Packing Plant
- Field visit at various areas of the plant
