

Steps to Access J-Gate Resources

There are **three methods** by which we can use J-Gate resources.

Method1. Within College Network (Intranet)

Open the URL: <https://jgateplus.com>

It will display our institute page (No credentials are required. It is IP based automatic authentication)

Method2. Outside College Network (With Common Credentials)

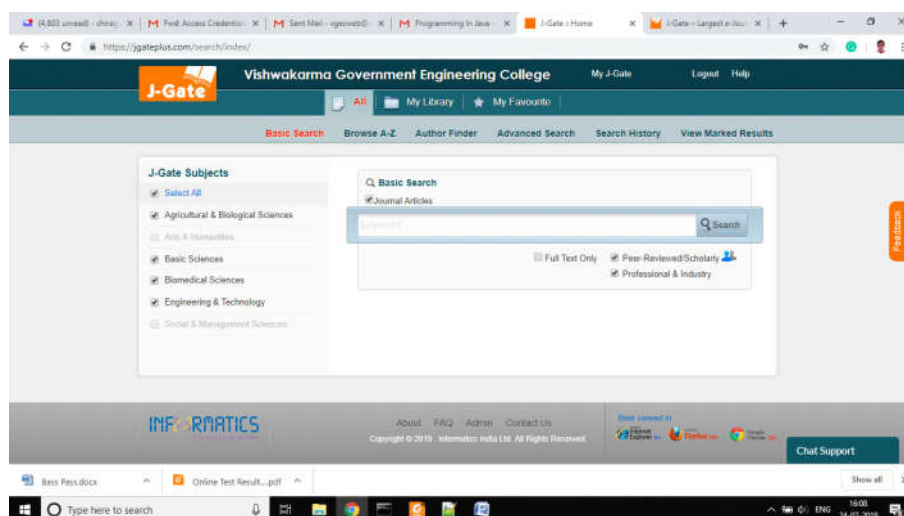

- Open the URL: <https://www.jgateplus.com>
- Click on Login
- Enter Credentials as shown below. (These are common for all students and staff)

Username: visgovuser

Password: visgovuser603782333

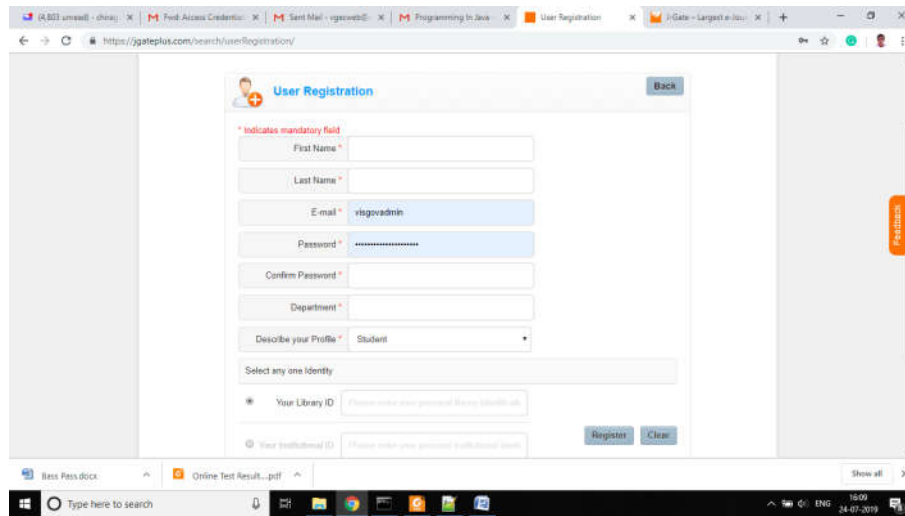

Method3. Using Personal Credentials (For more personalized features like bookmarks etc.)

- Open the J-Gate website (By giving common credentials). It will show the screen as below.

- Click on My -Gate

- Select create new account. It will open form as below.

The screenshot shows a web browser window displaying the 'User Registration' form on the J-Gate website. The form is titled 'User Registration' and includes a 'Back' button in the top right corner. A red asterisk indicates mandatory fields. The form contains the following fields and options:

- First Name *
- Last Name *
- E-mail * (containing 'stgovanin')
- Password *
- Confirm Password *
- Department *
- Describe your Profile * (dropdown menu with 'Student' selected)
- Select any one identity
- Your Library ID (with a placeholder: 'Please enter your personal library ID')
- Your Institutional ID (with a placeholder: 'Please enter your personal institutional ID')

At the bottom of the form, there are 'Register' and 'Clear' buttons. The browser's address bar shows the URL 'https://jgateplus.com/search/userRegistration/'. The Windows taskbar at the bottom indicates the system time as 10:07 on 14-07-2019.

- Complete your registration. You can give your desired library id and password during registration.
- Once registration is complete, you can access J-Gate from any location with your personal ID.
